On July 8<sup>th</sup>, the Restore Ministries Inc. started its four week summer program at Second Presbyterian Church located at 1161 E. Jersey St. in Elizabeth. This year, the summer program introduced a number of old and new faces on the administrative staff/volunteers and participant’s side as well as new classes and projects facilitated.

Returning staff from last year’s summer program were **Terrence Gilbert (program director)**, **Ximena Carrasco (administrative assistant)**, and **Kerland Stavien (recreational coordinator)**.

complete community service hours. When they heard about Restore Ministries Summer Camp, they immediately jumped on the opportunity to help out and work with the program. Their desire and passion working with urban youth was strong, Shakiylah and Justin took on the role of facilitating and teaching dance to the younger participants.

Summer Camp ended on August 2<sup>nd</sup>. As a whole, all the participants received and benefited from all that Restore had to offer. The memories of the summer program will last a lifetime and beyond.

I want to thank all the staff and volunteers for their continued hard work and dedication to the summer program.

We hope that old and new faces will join us in the fall as we kick off our 2013-2014 school year.

We are very thankful for prayers and donations from our supporters.
