Dear Restore Family,

We are pleased to share with all of you our successful Summer Program 2015.

On June 29th to July 3rd Restore joined for the second consecutive year with Second Presbyterian Church in Elizabeth for a blessed, joyed, fun-packed week of Vacation Bible School. VBS was led by Camp Johnsonburg staff.

On July 6th Restore's Summer Program started. Based on last year's success, Elizabeth Port Presbyterian partnered with us for a second year by providing 21 students and 2 staff members. We had a total of 46 students participating. Although demand for the summer program was high, we were not able to accept every child due to the fact that the bus used for field trips only seated 54 people.
