

Summer Program Schedule Registration Form

The Program: An Overview

From July 1 to August 2, children and teenager will spend six hours a day having fun with the Restore summer staff and Junior Leaders Staff. We provide training for staff and Junior staff and CPR & First Aid certification.

Students on Monday through Friday participate in sports activities, learning fun math games, icebreakers, arts& crafts and sharing in reading groups. All day exciting field trips and more are offered during the month.

Invite a friend and introduce him/her to Restore. What better or safer place to be than in Restore's air-conditioned gym during the hot summer days.

Fridays Restore's weekly trips will be the highlight of your summer. Space is limited (45), so sign up now to participate in Restore's Summer Program 2019. Fill out the registration form on the right panel and give it to a Restore staff member.
